2<sup>nd</sup> March 2023

**NOTICE**

**Khelo Holi Naturally**

We are excited to announce that this year's Holi celebration will be a little different, we urge you all, to use natural and plant-based colors instead of synthetic ones. The traditional use of color powders can be harmful to our environment and health, so we request you to take the steps towards to sustainability and responsible celebration.

Let's celebrate Holi with nature and express your joy in an eco-friendly way.

**ANNEXURE-I: REPORT SHEET FOR INTER/ INTRA COLLEGE ACTIVITY/ EVENT  
(IQAC-BCIHMCT initiated)**

(for event/workshop/activity/competition/demonstration/industry visit)

Date of submission: ...03.05.2023....

Report prepared by: Nikhil Sharma

Event title/ name: ...Earth Day-2023

Date of the event held: ...28.04.2023.....

Organized by (name of the department/ cell) .....Eco Club

Organized event is at Institutional level/ departmental level (specify).....Institutional level

Organized event is as per activity/ academic calendar (specify).....Yes

No. of students/participants: - .....15.....

Objectivity of the event: -

1. To raise the awareness the among students for the need of protect Earth's natural resources.
2. To identify environmental problems.
3. To encourage students to commit to environmental protection.

**Event Write-up (Detailed Information):-**

Earth day is globally celebrated on 22 April every year to demonstrate support for environmental protection. Earth day was held on 22 April,1970 for the first time and is now celebrated in 193 countries and talking about this year's themes for earth day is INVEST IN OUR PLANET.

Banarsidas Chandiwala Institute of Hotel Management and Catering Technology organized a Poster Making Competition on this occasion of Earth day-2023. Students from all the batches with their unmatched creativity and imaginations participated in this competition. It was a one hour long competition held at the college library under the supervision of ECO Club members. The motive of this activity was to make students understand the value of

nature and green environment and how saving the earth today can give us a better and healthy future as it is the need of the hour.

Some notable contribution were received from Khushi Sahni from 2020-2024 batch ,Nikhil Kushwaha, Aditya Goyal, Harshit Madan and Nikhil Chaudhary are from 2021-2025, Anmol Adya, Manya Sharma, Jagrit Agnihotri, Bhakti Sharma, Saara talwar, Tanvi Suri, Harman Kaur, Prabha Jain and Piyush Kashyap are from 2022-2026 batch.

Dr. Rachna Chandan and Mr. Deepak Chhikara judges and evaluated the posters based on the quality and relevance of the content presented, as well as the clarity with which it was communicated.

BCIHMCT congratulate all the winner and participated students for their effort and hard work .

**Report prepared by:** Nikhil Sharma

**Event title/ name:** World Environment Day

**Date of the event held:** 02nd June 2023

**Organized by (name of the department/ cell):** Clean Air Asia NGO

**Organized event is at Institutional level/ departmental level (specify):** State Level

**Organized event is as per activity/ academic calendar (specify):** Yes

**No. of students/participants:** - 2

**Objectivity of the event:** -

To spread the awareness of reduce the single use plastic

To establish environment-friendly plastic waste disposal solutions

**Event Write-up (Detailed Information):-**

Eco Club of BCIHMCT, always encourage students to participate in various environmental activities through their young ideas and actions to aware the society, in the view of the same this World Environment Day 2023 students of BCIHMCT **Mr. Aditya Mittal and Mr. Yashank Kumar** from 4<sup>th</sup> year(2019-2023) took participate in **Clean Air Asia NGO's** Beat Plastic Pollution awareness drive, given the increasing plastic pollution, **Clean Air Asia NGO** feel that youth can play an important role in tackling the issue and leading the way to minimize plastic pollution and successfully contribute to solutions. CAA-India organized an event with youth from premier Delhi colleges to observe World Environment Day 2023 and contributed to the global campaign to #BeatPlasticPollution. The event will include:

The theme of World Environment Day 2023, led by the United Nations Environment Programme (UNEP), is 'Solutions to Plastic Pollution' under the campaign #BeatPlasticPollution. Instead of reducing plastic use, the easiest solution usually adopted is burning plastic which releases dangerous substances such as heavy metals, persistent organic pollutants (POP), and other toxic chemicals into the air. These chemicals have been linked to the development of some serious health problems both in humans and animals. Thus, it is a reminder that people's perceptions of plastic pollution should be reformed.

- 2. To make the student aware of various environmental issues like global warming, deforestation, plastic pollution, and greenhouse gases**

**Event Write-up (Detailed Information):-**

The Eco Club of BCIHMCT organized different activities on the occasion of World Environment Day June 05, 2023. The theme of this year is #beattheplasticpollution.

The highlight of the event was an engaging and educational quiz competition.

This year the government envisaged celebrating World Environment Day with the thrust on the Mission LiFE- Lifestyle for Environment.

Students from all the years enthusiastically participated in the celebration, thereby showcasing their knowledge and passion for environmental sustainability.

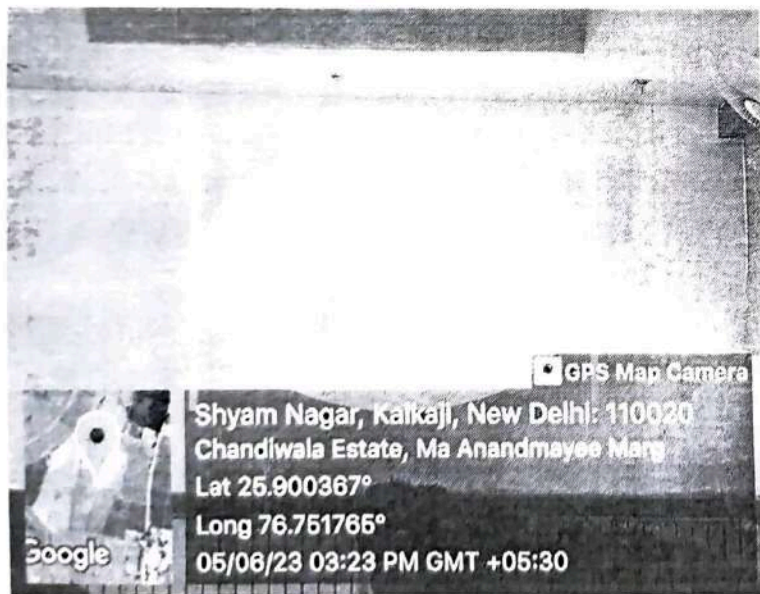

This interaction with students, fostered a sense of collective responsibility, reinforcing our commitment for creating a sustainable future.

Throughout the event, students were engaged in discussions and shared their own experiences and ideas on the Solution to eradicate Plastic Pollution. The event was concluded with the pledge.

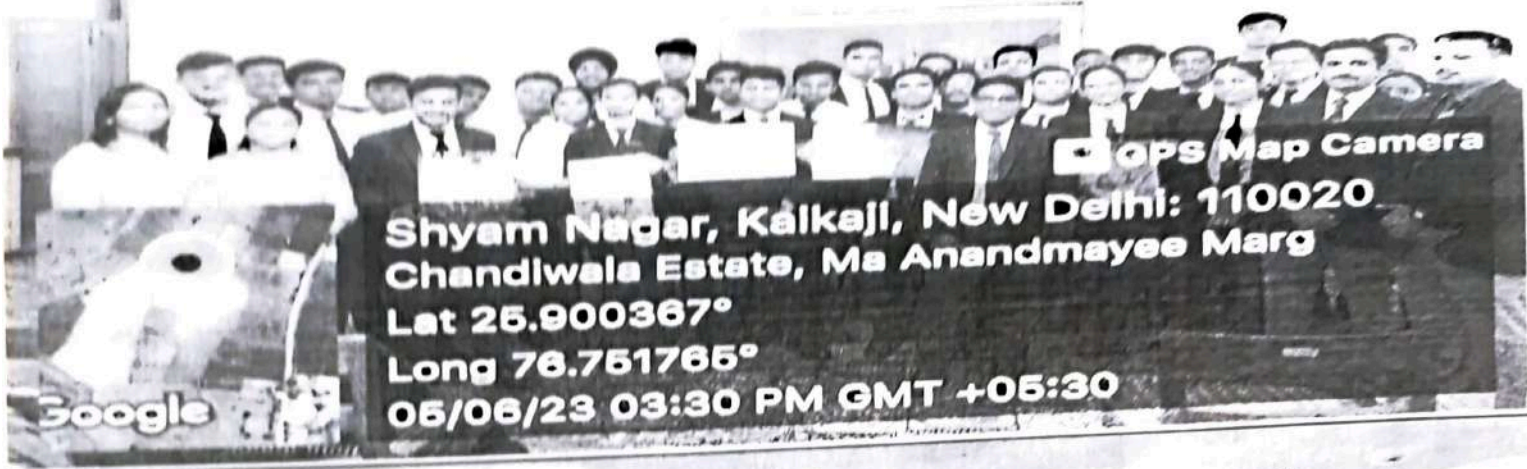

The event was coordinated by Dr Gagan Soni (HOD HOUSEKEEPING) and Mr. Nikhil Sharma, Assistant Professor, BCIIHMGT.

BCIIHMCT Fosters Green Warriors through 'Mission LiFE & E-Waste Management' Workshop by H.M.E Waste Management, New Delhi, September 22, 2023

Banarsidas Chandiwala Institute of Hotel Management (BCIIHMCT) played host to a transformative workshop on 'Mission LiFE & E-Waste Management' conducted by H.M.E-Waste Management. This enlightening event, held on September 22, 2023, at BCIIHMCT in Kalkaji, New Delhi, marked a significant step towards environmental consciousness.

The Techno Club of BCIIHMCT is collaborated to organize the workshop, which was guided by Mr. Mohan Jain, Incharge, IT Department of the college.

Dr. Renu Sharma, Head of Program (Research & Advocacy) at H.M.E Waste Management, along with Mr. Sudesh Kumar, Sustainability Coordinator, led this engaging workshop, which was attended by enthusiastic students from BCIIHMCT. The session delved into the pressing issue of electronic waste management and highlighted the crucial role each individual can play in conserving the environment.

H.M.E-Waste Management extended their appreciation to Principal Prof. R. K. Bhandari, the dedicated faculty coordinator Mr. Mohan Jain along with other faculty members, and the environmentally conscious students of BCIIHMCT for actively participating in their Green Campaign, #BeAGreenWarrior. Their commendation underlined BCIIHMCT's commitment to sustainability as a Green Change Maker.

The 'Mission LiFE & E-Waste Management' workshop empowered the students, fostering a generation of eco-conscious individuals ready to tackle the challenges of e-waste management and contribute to a

1. Encourage participants to think creatively and come up with innovative ways to repurpose waste materials.
2. Foster teamwork and collaboration by encouraging participants to work in groups or pairs.
3. Emphasize the importance of reducing waste by showing how discarded items can have a second life.

**Event Write-up (Detailed Information):-**

**"Best Out of Waste Competition: A Showcase of Creativity and Innovation"**

BCIHMCT recently organized a "Best Out of Waste" competition, and the response from our talented students was remarkable. The event brought together students who eagerly transformed discarded items into extraordinary creations, leaving everyone in awe.

Students poured their heart and soul into their projects, crafting an impressive array of useful and decorative items. Among the outstanding creations were working lamps that emanated a warm and inviting glow, exquisite decorative pieces that added a touch of artistry to any space, unique clocks, reusable carry bags that championed sustainability, and charming muffin stands that were as delightful as the treats they held.

As the anticipation grew, the moment finally arrived when our judges for the day, Mr.Gaurav Dhaka (Assistant Professor) and Mr.Deepak Chhikara (Assistant Professor), took to the stage to announce the winners. The tension in the air was palpable as they unveiled the names of the exceptional talents who had managed to impress the judges with their ingenuity.

However, the true highlight of the event was when our esteemed Principal Sir graced the occasion. His presence added an extra layer of significance to the event as he not only appreciated the students' hard work but also took the time to interact with them individually. This interaction allowed students to gain valuable insights and encouragement directly from our leader.

The "Best Out of Waste" competition was not just about creating beautiful items from discarded materials, it was about fostering a culture of sustainability, resourcefulness, and creative thinking among our students. It served as a reminder that every item we discard has the potential to be reborn with purpose and beauty through the power of innovation and imagination.

Congratulations to all the participants, winners, and everyone involved in making this event a resounding success!

Winners of the Event -
