

INDEX 1.4.2

<b>S.No</b>	<b>Particulars</b>	<b>Page No.</b>
1.	Feedback on syllabus	1
2.	Curriculum approval mails	2-6
3.	Curriculum approved mails	7-10
4.	Tentative syllabus mail (Batch-2022 onwards)	11-12

#### **1.4.1 - Institution obtains feedback on the syllabus and its transaction at the institution from the following stakeholders**

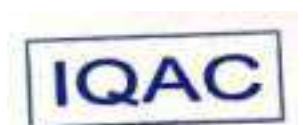

Upon the direction of Affiliating University (Guru Gobind Singh Indraprastha University) BOS, the curriculum of BHMCT (2018-19) Onwards was revised. Feedbacks were obtained from concerned stakeholders i.e. Students, Teachers, Alumni, Industry and Peer institutes. Feedback received from the various stakeholders were summarized, analyzed and incorporated in the syllabus. The revised syllabus was drafted and forwarded to the affiliating university. After requisite amendments as suggested by the affiliating university the revised syllabus was re-sent to the University for Final Approval. The syllabus was approved by Academic Committee of the university on 09/09/2022 and uploaded on the affiliating university website on 07/11/2022.

[http://www.ipu.ac.in/Pubinfo2022/nt0722536%20\(3\).pdf](http://www.ipu.ac.in/Pubinfo2022/nt0722536%20(3).pdf)

This was intimated to the institute via email dated 09/09/2022. The institute acted promptly and communicated it to the entire faculty and staff member concerned to implement it from 2022 onwards. The copy of revised syllabus 2022 (onwards) was also posted on institute website for the information of all concerned stakeholders.

[http://www.ipu.ac.in/Pubinfo2022/nt0722536%20\(3\).pdf](http://www.ipu.ac.in/Pubinfo2022/nt0722536%20(3).pdf)

The revised syllabus is well implemented in the year 2022 for the batch 2022-26.

 **Final Draft.pdf**  
2100K

## **Relevant Features of Proposed draft of Curriculum of BHMCT Programme as compared to the existing curriculum (Batch 2018 Onwards)**

The proposed curriculum is comprehensive and holistic in its approach having the apt blend of Core Course, Ability Enhancement Course, Core Skill Course, Skill Enhancement Course and Inter-disciplinary Course amidst the regulatory compliances suggested by concerned authorities and NEP. Course content is carefully designed keeping in mind the current and future expectations of the industry to groom most suitable hospitality professional for the future.

Each course is supplemented and validated with well-designed Course Objectives and Course Outcome which are subsequently mapped with the stated Programme Outcomes of this 4 years degree Programme. Comprehensive mapping of each Course outcome with Programme outcome is meticulously done and provided at the end of the draft. Each course contents are evenly distributed in six units and suggestive readings for each course are provided after course content.

While the Core & Core Skill Courses will provide the fundamental learning of the Programme, Ability Enhancement and Interdisciplinary courses are carefully incorporated to promote overall learning and development of the students. Ability Enhancement course such as Environmental Science will generate better sensitivity and concern towards sustainable environment. Also, the Interdisciplinary courses help in wider career prospects and increase the horizon of the students towards the course and the industry.

Project report included in the last semester will help the students in developing better analytical skills of Hotel and hospitality business, experiential & outcome based learning and subsequently promote entrepreneurship in this field. As proposed, a Project Report in concerned Core Elective subject(s) will be prepared on basis of Feasibility, Study and Market Research in the domain of Selected Stream chosen by students at the start of Seventh Semester (i.e. Core Elective I: Advance Food & Beverage Management or Core Elective II: Advance Room Division Management) under the Supervision Faculty assigned by Principal/ Director.

Due consideration is given to experiential learning of the students in proposed draft of curriculum. It includes 22 weeks of Industry internship to expedite on the job training of the students to have experience of the real industry environment in Sixth Semester to facilitate uniformed functional exposure of Industry's learning environment. Also, Seventh semester is also designed to facilitate experiential learning, whereby the institute has to plan and organize an event such as food festival, inter-college completion, conference, seminars etc. to supplement the learning of the students.

MOOC courses are proposed and incorporated in the second and the fourth semester for the students to provide more academic independence to choose the course of their choices. Adhere to the guidelines proposed in NEP; the Student is required to choose one MOOC course of 3 credits at UG Level as per his or her preference/choice from Swayam portal or any other online education platform approved by the UGC/

regulatory body from time to time. After completing the course, the student has to produce successful course completion certificate for claiming the credits.

The proposed curriculum is providing choices as “Core Elective Stream I (Advanced Food & Beverage Management) and Core Elective Stream II (Advanced Room Division Management) to choose from to facilitate choice between the two Core Elective Streams to the students. Elective Stream Choices given in fourth year will certainly help the students to focus upon the area of their interest and to groom themselves as per the standards of the industry.

Credit Scheme has also been revised in the proposed draft of curriculum, which is as follows:-

#### **Matrix of Credit Assigned**

<b>Semester</b>	<b>Credits Assigned per Semester</b>	<b>Credits Assigned per year</b>
Semester -I	24	51
Semester -II	27	
Semester -III	24	51
Semester -IV	27	
Semester -V	24	48
Semester -VI	24	
Semester -VII	22	45
Semester -VIII	23	
<b>Total Credits Assigned</b>		<b>195</b>

\*\*Each student shall be required to appear for examination in all courses. However, for the award of the degree a student must successfully complete all compulsory courses (mentioned in the scheme) and secure minimum of 185 credits for the grant of Degree.

**Disclaimer**:- This draft proposal of Scheme of Curriculum Revision for Bachelor in Hotel Management and Catering Technology is drafted taking into consideration the feedback obtained from Students and Teachers of the Institutes. Opinion of Industry Professional as well as Alumni were also discussed and taken into consideration. This proposal is drafted after careful review of feedback received from various concerned stakeholders and a thorough brainstorming of the opinions of the experts by the syllabus review and modification committee. However, it is just the draft and contains every possibility of further revision and subsequent improvement.
