Message from the Editor-in-Chief

Dear Reader,

This edition of the Students News Letter “YUVA” is good source of information to know about different upcoming trends in the Food & Beverage industry. Reaching to the customer through the taste buds only is the Old Fashioned. Inviting customers through interior, ambience & décor, style of presentation and innovation is also the other factors that attract them most beside the food. I am sure this collection of “YUVA” will update us about the USP of these food outlets.

I appreciate sincere efforts of our contributors and team of editors in compiling resources for Yuva and keeping all of us updated with latest happenings in this sector as well as in the BCIHMCT.

Best Wishes

RETRO THEMED RESTAURANTS

-by Yashank Kumar (4th year)

In recent years, retro-themed restaurants have grown in popularity in India, offering diners a distinctive dining experience that transports them back in time. These eateries are now the go-to places for anyone who wants to savour delectable food and beverages while feeling the nostalgia of a bygone era. Here's a closer look at India's retro-themed eateries and what makes them unique.

Retro-themed restaurants seek to recreate the atmosphere of a specific time period, typically the 1950s to the 1980s. They frequently feature menus, music, and décor that are representative of the fashion and tastes of the time. These restaurants' ambiance is intended to transport customers back in time, which allows them to feel the excitement and nostalgia of the olden days.

Typical items on the menus of dining establishments with a retro theme include milkshakes, burgers, and fries. Many eateries also provide a variety of cocktails and other beverages that were popular during the period to which they are dedicated.

The atmosphere offered by retro-themed restaurants is one of their main draws. They offer a distinctive and memorable dining experience while taking customers back in time. These restaurants frequently have elaborated and detailed decor that includes things like old posters, neon lights, and antique furniture.

The menus at retro-themed restaurants frequently include traditional comfort foods that are sure to bring back memories for many diners in addition to the atmosphere. These eateries provide a taste of nostalgia that is difficult to find elsewhere, whether it be a classic cheeseburger or a milkshake. There are many retro-themed restaurants across India that have become popular among locals and tourists alike. Here are a few examples:

1. **The Junkyard Café:** With locations in multiple cities across India, The Junkyard Cafe is a retro-themed restaurant that is designed to look like a junkyard. The decor features vintage items such as old car parts, rusted metal, and antique signs. The menu includes a variety of Indian and continental dishes, as well as a selection of cocktails.
2. **Social:** With locations in multiple cities across India, Social is a retro-themed restaurant that is designed to look like a hipster cafe from the 1970s. The decor includes vintage posters, vinyl records, and antique furniture. The menu features a variety of comfort food dishes and drinks, as well as a selection of craft beers and cocktails.

3. **SodaBottleOpenerWala:** Located in multiple cities across India, SodaBottleOpenerWala is a Parsi-themed retro restaurant that takes patrons back in time to the 1960s. The decor features vintage items such as old radios, telephones, and antique furniture. The menu includes a variety of traditional Parsi dishes, as well as classic comfort foods and drinks.
4. **Gully Boy:** Located in Mumbai, Gully Boy is a retro-themed restaurant that takes patrons back to the 1980s. The decor features vintage posters, cassette tapes, and other memorabilia from the era. The menu features a variety of classic Indian street food dishes, as well as a selection of cocktails.

Conclusion:

Retro-themed restaurants offer a distinctive dining experience that carries customers back to an earlier time. These dining establishments are becoming more and more well-liked across India as a consequence to their elaborate decor, traditional comfort food, and nostalgic atmosphere. Retro-themed restaurants are definitely worth a visit, whether you're looking for a taste of nostalgia or simply want to try something new and different.

JAPANESE AND KOREAN THEMED RESTAURANTS

-by Pooja(4th year)

In recent years, Japanese and Korean cuisine has gained popularity in India, which has resulted in an increase in the number of restaurants with Japanese and Korean themes throughout the nation. These eateries provide a distinctive and genuine dining experience that appeals to both foodies and culture enthusiasts. Here is a closer look at the unique qualities of Japanese and Korean-themed restaurants in India.

Japanese-themed restaurants in India try to replicate some of the unique flavors and presentation of Japanese cuisine for the customers they serve. These dining establishments frequently have Japanese-inspired decorative elements, like paper lanterns, bamboo, and cherry blossoms. Sushi, sashimi, tempura, and other traditional Japanese dishes are frequently offered on the menu at restaurants with a Japanese theme.

Guppy in Delhi is among the most well-known Japanese-themed dining establishments in India. It provides a contemporary take on an authentic Japanese dining experience. The restaurant is decorated with wooden tables and low lighting to resemble a traditional Japanese izakaya. There are several different sushi rolls, tempura, and yakitori skewers on the menu. The restaurant also has a bar with mocktails and cocktails with Japanese influences.

The Wasabi by Morimoto restaurant, located at the Taj Mahal Palace Hotel in Mumbai, is another well-known Japanese-themed restaurant in India. The restaurant is renowned for its elegant setting and exquisite Japanese fare. Tatami mats and low tables are used to create the appearance of a traditional Japanese

tea house. Sushi, sashimi, and Japanese-inspired cocktails are available on the menu.

Korean-themed restaurants in India try to give the customers they serve an authentic taste of the bold flavor combinations and spicy dishes that are characteristic of Korean cuisine. The interior design of these establishments frequently incorporates elements from Korean culture, such as wooden furniture, lanterns, and traditional Korean pottery. Restaurants with a Korean theme frequently offer bulgogi, bibimbap, and kimchi on their menus.

Seoul Kitchen in Mumbai is one of the most well-known Korean-themed restaurants in India. It features wooden tables and chairs to mimic a traditional Korean dining establishment. Many Korean dishes, including bulgogi, bibimbap, and kimchi, are offered on the menu. Customers can grill their own meat at a Korean-style barbecue table in the restaurant.

The Kimchi and Korean Food in Chennai is another well-known Korean-themed restaurant in India. With a variety of traditional Korean dishes like bulgogi, bibimbap, and kimchi, it provides an authentic Korean dining experience. The restaurant's decor, which includes wooden furniture and ceramics, is meant to resemble a traditional Korean house.

Conclusion:

Indian restaurants with a Japanese or Korean theme provide a distinctive and genuine dining experience that is difficult to find elsewhere. These restaurants are a must-visit for anyone who wants to experience the culture and cuisine of Japan and Korea. This is true of everything from the exquisite decor to the bold flavours and presentation of the food. There is no doubt that Japanese and Korean-themed restaurants will remain an important component of India's dining scene for years to come given their rising popularity.

JUNGLE THEMED RESTAURANT IN INDIA

-by Aditya Mittal (4th year)

Indian restaurants with a jungle theme provide a distinctive and immersive experience. These dining establishments transport guests to a lush, tropical jungle, complete with authentically wild-sounding food, music, and décor. Here's a closer look at what makes Indian restaurants with jungle themes so unique.

Jungle-themed restaurants in India

Indian restaurants with a jungle theme frequently have decoration that is intended to resemble a tropical forest. The tables and chairs are made of organic materials like bamboo or wood, and the walls are frequently decorated with images of jungles. The lighting can vary between soft and dim, giving off the impression that you are in the wilderness.

The menu often consists of dishes that are influenced by jungle cuisine, and the staff tends to be attired in khaki uniforms or other costumes with jungle themes. These restaurants provide a wonderful setting for unwinding and indulging in a meal.

The Machan in New Delhi, and The Machan in Lonavala, Maharashtra, are one of the country's most well-liked jungle-themed restaurants. With treehouses and wooden platforms for seating, the restaurant is located in a lush forest. With the help of vines and foliage, the decor consists of scenes from the jungle. Both international and dishes with local influences can be found on the menu.

The New Delhi restaurant Jungle Jamboree is another well-known jungle-themed eatery in India. There are several dining areas in the restaurant, each with a distinctive jungle theme. The decorations feature waterfalls, jungle scenes, and an elephant replica. Indian, Chinese, and continental cuisines are all available on the menu.

Ambience and Entertainment

Indian restaurants with a jungle theme create an atmosphere that will take customers to a tropical forest. An immersive experience that evokes being in the wild is created by combining the decor, lighting, and music. With views of the plants and trees adding to the atmosphere, the seating arrangement frequently gives diners the impression that they are alone in the jungle.

In India, restaurants with a jungle theme place a strong emphasis on entertainment. A few restaurants offer live entertainment, including dance and music shows that are influenced by jungle culture. Others provide interactive activities like guided tours of the restaurant or artificial safaris.

Conclusion:

Indian restaurants with a jungle theme are fantastic places to eat in a special and engrossing environment. Customers feel transported to a tropical paradise at these dining establishments which also feature food, music, and decoration that give the impression of being in the wild. Restaurants with a jungle theme are fantastic places to celebrate a special occasion, go out with friends, or just enjoy some delicious food and entertainment because of their distinctive ambience and entertainment choices.

MEDIAEVAL THEMED RESTAURANTS IN INDIA

-by Rishabh Chauhan (4th year)

Indian restaurants with a medieval theme provide a dining experience that transports you back in time. With decorations, costumes, and entertainment that takes you back in time, these restaurants try to capture the feel and atmosphere of the Middle Ages. Following is a closer look at Indian restaurants with mediaeval themes and what makes these establishments so special.

Indian restaurants with a mediaeval theme are built to resemble castles or taverns from the period. They frequently include decorative elements that evoke the Middle Ages, such as armour sets, shields, and banners. The menu features foods that were popular during that era, and the staff frequently wears appearances inspired by medieval times.

Castle Kalwar, located in Jaipur, Rajasthan, is one of the most well-known restaurants in India with a mediaeval theme. A 19th-century castle that has been meticulously restored to its former splendour serves as the restaurant's home. The interior design takes you back in time with its use of vintage tapestries, antique furniture, and armour suits. Traditional Rajasthani dishes from the mediaeval era, like dal baatichurma and laal maas, are included on the menu.

The Black Pearl in Bangalore, Karnataka, is a further well-known restaurant in India with a medieval theme. The restaurant is furnished with ropes, barrels, and other elements that give it the appearance of a mediaeval pirate ship. Pizzas, burgers, and tandoori chicken are just a few of the international and Indian dishes available on the menu. Additionally, the restaurant offers live shows like musical performances and magic shows.

Ambience and entertainment

Indian restaurants with medieval decoration emphasize recreational activities. To improve the dining experience, these restaurants provide a variety of entertainment options. In some restaurants, live performances by musicians,

dancers, or actors decked out in mediaeval garb are presented. Others provide interactive activities like lessons in archery or swordplay.

Restaurants with a mediaval theme also have an atmosphere that will take you back in time. To create a mediaeval atmosphere, the lighting is frequently moody and dim, with candles or torches being used. The furnishings and decorations frequently feature dark wood or stone, which heightens the medieval feel.

Eating at an Indian restaurant with a medieval theme is an entertaining and immersive experience all around. These eateries provide a special dining experience that combines delicious food with a historical journey. Customers are given a truly memorable experience thanks to the ambiance, entertainment, and menu.

Conclusion:

Indian restaurants with a medieval theme provide a truly unique dining experience. With decor, costumes, and entertainment that give you the impression that you're in the Middle Ages, these restaurants transport you there. Medieval-themed restaurants are fantastic places to celebrate a special occasion, have a fun night out with friends, or just indulge in delicious food and entertainment because of their distinctive atmosphere and entertainment options.
